Sir,

I am directed to report for the information of Government that in December last, the District Judge of Mysore suggested the desirability of removing to French Rocks the Munsiff's Court now at Seringapatam owing to the extremely unhealthy climate of the latter place. The Deputy Commissioner of Mysore who was consulted, was not in favour of the proposal as Seringapatam appeared to him to be more central and easier of access than Frech Rocks. He added that if at any time the climate of Seringapatam is found too unhealthy for the Munsiff there is nothing to prevent his living some little distance out, near the French Rocks Railway Station or elsewhere. No action was therefore taken on the District Judge's suggestion.

I have the honor to be,
Sir,
Your most obedient Servant,
